To the Board of Directors
Marion County Ambulance District
Hannibal, Missouri

Unfortunately, we have found ourselves in a position where we need to cease our services as the Marion County Ambulance District's accountants. This will take effect immediately. We have reached this decision very reluctantly and after substantial deliberation stemming from an unanticipated decrease in our current staff size. Due to this situation, we cannot continue to provide the District with the level of service that is required.

It would be in the District's best interest to take steps to retain a new accounting firm as soon as possible. To facilitate that process, please send us a letter authorizing us to make disclosures to the District's new accountants. Without such a letter, we are ethically prohibited from communicating with others regarding the District's affairs.

We are prepared to help Marion County Ambulance District make a smooth transition with the new accountants, and wish you the best of luck in the future.

Very truly yours,

Wade Stables P.C.
